Dated 22nd October 1948

[Despatch Abstract.]

IRON AND STEEL - Pipes, tubes and fittings - Allotment for period IV of 1948 - Papers recorded.

Government of India,
Ministry of Industry & Supply
IRON AND STEEL CONTROL
100, Netaju Subhas Road,
CALCUTTA.

No.ISC. 69/PI(2)/II/Madras/8514 Dated, October 1st, 1948.

To

The Director of Controlled
Commodities,
Government of Madras,
M a d r a s.

Sub: Steel pipes, tubes and fittings
Ref: My letter No.ISC-69/PI(2)/II/Madras/4306,
dated 1st July 1948.

Dear Sir,

I have to advise you that your Province has been allotted a quota of 1,40,790 feet of galvanised and black screwed and socketed tubes upto and including 6" nominal bore and of such fittings as are available for Period IV (October to December 1948 inclusive). You may issue permits up to this footage of these tubes and for minimum numbers of fittings for supply from the pipe and tube stockist given below during Period IV/1948.

Supplies of fittings and of galvanised screwed and socketed tubes over 2" nominal bore are limited and you are requested to arrange that demands for these categories are reduced as far as possible.

Pipe and Tube Stockists are only authorised to supply the quantities of tubes given above against the permits issued by you which they receive during Period IV/1948. Any quantities for which you have not issued permits against your Period III/48 quota will therefore be automatically cancelled at the end of September 1948.

Demands for other categories of pipes and tubes should be certified by the appropriate advisory authority and sent to this office for compliance as heretofore. Such pipes and tubes are not included in quota given above.

Pipe and tube stockist:

The Madras Circle Pipe Dealers' Association Ltd.
80, Sembudoss Street, Madras.

Yours faithfully,

Sd/ ** **
Director (Pipes, Tubes and Fittings)
for Iron and Steel Controller.
